

MICHIGAN CELEBRATION OF WOMEN IN COMPUTING

MICWIC 2019 Call for Participation
MARCH 29 – 30, 2019 ○ ○ ○ GRAND RAPIDS, MI

The 7th Biennial Michigan Celebration of Women in Computing (MICWIC 2019) welcomes participation by all who are interested in advancing the fields of computing and information technology through broadening diversity. Join us for presentations, panel discussions, a poster session, and career exploration. Students will network with computing professionals and peers at other Michigan colleges and universities and learn about rewards of careers in computing fields. Educators and IT professionals will meet and mentor the coming generation, expand their own networks of professional contacts, and learn what their peers are doing in industry. A Career Fair on March 30 will feature both regional and national companies and many Michigan colleges and universities.

MICWIC 2019 will be held on the Pew Campus of Grand Valley State University Friday March 29 and Saturday March 30. See the conference website (<http://www.micwic.org/>) for more information.

Registration dates

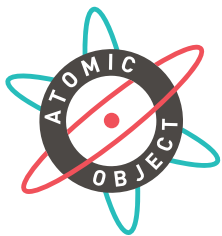

March 5 Early Registration Deadline
 March 29 Final Registration Deadline

Pledges to sponsor and participate in the Career Fair are accepted until March 6, space permitting.

Mark your calendars and join us to make MICWIC 2019 one for the record books!
